INTEGRATED PROJECT DELIVERY ALLIANCE

TO QUOTE MONTY PYTHON'S FLYING CIRCUS....

"AND NOW FOR SOMETHING COMPLETELY DIFFERENT"

*JOIN US!*

Fun facts about the IPDA Members Only portion of the website:

- One organizational membership allows any individual within the organization to log in to the members only portion of the website.
- There is a Discussion Platform to allow members to share their knowledge, connect, and pose questions to other members for an online conversation
- You can find back issues of the IPDA newsletters
- You can find the IPD 101 bootcamp video series (YES, you read that right!)
- We will continue to grow resources for you on the members-only site - set up your login and check it out today!

And don't forget to share the news with other colleagues in your organization!

## NEW ONLINE FORUM FOR IPDA MEMBERS

First Session to be Held on  
THURSDAY, APRIL 30TH @ 1:00 PM MTN / 3:00 PM EST

NO COST TO ATTEND

While travel and public gatherings are interrupted due to COVID-19 restrictions, the IPDA will begin to host a series of on-line meetings. For our first in the series, we will have two individuals share some tools that they have seen quickly implemented for their projects.

Dean Loewen of Altac Mechanical is currently working on the Okotoks Arts and Learning Campus IPD project with Al Williams of Mechwave Engineering. Al built a pull plan on Bluebeam Studio and, together with Dean, they will show how the pull plan session is able to be completed virtually. Dean will also discuss how important it has become for teams to connect to individuals on a personal basis as well in this time of added stress and pressures and it's impact on mental health.

Andrea Pelland of EcoAmmo will discuss challenges and opportunities in facilitating high performance project teams and workshops for major US institutions, as well as virtually facilitating pull plans for Edmonton Public Schools IPD projects.

The format will be an hour long on-line discussion group utilizing Zoom. Within that hour we will have 20 - 25 minutes hosted by individuals introducing interesting topics, half an hour discussion and Q & A. We will work to pull from participants what they feel would be helpful at the next one and choose the next forum date and time. Bring your questions and your ideas! Join the conversation.

REGISTRATION DETAILS CAN BE FOUND AT  
[WWW.IPDA.CA/EVENTS](http://WWW.IPDA.CA/EVENTS)

## WORKING REMOTELY

4:30PM In General Flag

What platforms have you been using to meet remotely? Please include:

- Number of attendees?
- Do you need to share documents? If so how is the transition of sharing between documents?
- Are there any special capabilities of the platform you have chosen to use that you have found helpful?
